

“Don’t Delay Get a Mammogram Today...We Did!”

Southeastern Utah District Health Department offers:

No Cost or Low Cost Breast & Cervical Cancer Screening

Join us in celebrating National Women's Health Week May 11-17, 2003. We encourage mothers & daughters to live longer healthier lives by calling today to schedule a cancer screening appointment

Screening services include: a clinical breast exam, a pap test, a pelvic exam and a referral for a free mammogram. These exams may be FREE* for women ages 50-64.

Make your appointment in May to receive a FREE gift and an opportunity to win a handmade quilt.
